The Spouse was not employed and had no income earned from work in 2021.

The Spouse was employed in 2021 and has listed below the names of all employers, the amount earned from each employer in 2021, and whether an IRS W-2 form is provided. [Provide copies of all 2021 IRS W-2 forms issued to the student and spouse by their employers]. If the employer did not issue a W-2, you must still list every employer and write the amount earned in 2021. If you have misplaced your W-2 or never received one then you must obtain a "Wage and Income Transcript" from the IRS. If the "Wage and Income Transcript" does not reflect your wages, submit a signed/dated written statement explaining how much you earned in 2021. If you are unable to obtain a wage and income statement, submit a signed statement explaining the reason(s) for missing W-2's and submit to our office.

The spouse earned income from foreign country or outside the United States and is not required to file taxes in any country. [Please attach 2023-2024 Student Foreign Income Supplemental Form]

If more space is needed, provide a separate page with the student's name and ID number at the top.
