Alternate Benefit Provision	When more than one covered Dental Service could provide suitable treatment based on common dental standards, Cigna HealthCare will determine the covered Dental Service on which payment will be based and the expenses that will be included as Covered Expenses.
Oral Health Integration Program (OHIP)	Cigna Dental Oral Health Integration Program offers enhanced dental coverage for customers with the following medical conditions: diabetes, heart disease, stroke, maternity, head and neck cancer radiation, organ transplants and chronic kidney disease. There's no additional charge for the program, those who qualify get reimbursed 100% of coinsurance for certain related dental procedures. Eligible customers can also receive guidance on behavioral issues related to oral health and discounts on prescription and non-prescription dental products. Reimbursements under this program are not subject to the annual deductible, but will be applied to and are subject to the plan annual maximum. Discounts on certain prescription and non-prescription dental products are available through Cigna Home Delivery Pharmacy only, and you are required to pay the entire discounted charge. For more information including how to enroll in this program and a complete list of program terms and eligible medical conditions, go to www.mycigna.com or call customer service 24/7 at 1.800.CIGNA24.
